Naphezu kobukhulu bencwadi, lezi ziqondiso zinikeza umbono oqinisekayo ongathinteka kuphela ngokuzikhethela kwami ukuwamukela futhi uphile ngokuvumelana. “Noma ubani onqobayo ...”: UJesu waphinda lokhu izikhathi eziningana ngakho wanginika isiqinisekiso sokuphila okuphakade ezulwini naye. Imayini iyinselele engibhekene nayo nsuku zonke nempi yami: ngokungazi kwami, ngokuziqhenya kwami ngokufushane, ngokumelene “nomuntu” owaziwa kakhulu. Kulokhu “uqobo” ukuthi imiyalezo kule ncwadi iqondiswa. Kungani ngivumela ukuba ngizithokoze ngokusobala okusobala kwesiko futhi ngilandele isixuku? UJesu akazange eze konke ngaleyo ndlela ukuze azame ukuthola okunye. UJesu weza ukungisiza ukuba ngiphume emibonweni engabonakali engenakulimala eyethulwa emphakathini. Abaklami abangokomoya

Yini i-matrix futhi isebenza kanjani? Izwe alikho, futhi alisebenzi, njengoba ubona. Leli zwe liyisimiso sokufakelwa esakhiwe yizakhi zayo “ezikhanyisiwe.” Laba bakhi baye badala isimiso somhlaba jikelele lapho bahlala khona ku-vertex futhi banqume imithetho. Yonke imikhakha esisebenza kuyo inqunywe yizimpawu zombuso wezwe omthunzi. Ucwangingo, ezezimali, ezempilo, ukuxhumana, ezombusazwe kanye nenkolo zakhiwe futhi ziqondiswe ngabantu kanye nezinhlango ezisebenza ngasese. Konke ukwesaba kwami nezinkathazo, konke kwengqondo / ngokomzimba / kwezomnotho kanye izinkinga zezombusazwe zibangelwa ukuxhumana okucashile nokucabangela ukuhlukunyezwa. Akukho okuboniswa kimi kungokoqobo. UJesu wayesebenza futhi ahlala ngaphandle kwalowohlelo futhi, ngakho-ke, wayelokhu elwa nalo. Isikhulu se-Matrix

Ekukhohliseni

Inqubomgomo yomhlaba wonke ye-matrix inqunywa ngamaqembu amadoda afihlekile, aqokiwe. Okufanayo kuya kwezemali, kungakhulumi ngempilo kanye nemikhankaso yokulwa nezifo ezingekho emphakathini ezingekho. Futhi kanye nakho konke lokhu, abezindaba bezindaba bafundisa abantu abanevangeli ngokuvumelana noMatrix. Ngake ngangizibuza ukuthi ngubani umbusi weMatrix? Ubani olawula leli zwe lezingxabano nokudideka? IBhayibheli lingitshela ngokucacile ukuthi iMatri ingaphansi kwesimiso sezinto zokusebenzelana nemimoya esivela ingelosi yokuqala nokuthi nguye owokuqala ukhulubuka kuMdali wakhe, waba yidemoni lokuqala. Uzichaza ngokuthi uyisikhulu seMatrix, kodwa izifiso zakhe zizimisele kakhulu ... Lesi “sikhulu” sifuna ukuthatha indawo yeNkosi ye- emhlabeni. Kodwa kanjani? Futhi ngithinteka kanjani kulo mzabalazo phakathi kukaJesu nesikhulu seMatrix? Ngifuna ukuthola ukuthi lesi sikhulu esizimele siyinselele kanjani uMdali, sidukisa ezinye izidalwa, ngakho-ke futhi singikhohlisa.

Njengo Nkulunkulu?

Isikhulu se-Matrix sifuna ukuba njengoMdali wakhe futhi sithathe indawo kaJesu. Kodwa ukuze anqobe, kufanele athole zonke ezinye izidalwa eceleni kwakhe. Ufuna kakhulu ukuba yinkosi engalindelekile yalomhlaba ngokudala lo mbuso wezihlubuki. Kodwa ukushayela

mina, isidalwa, ukuphikisa nokuvukela uBaba noMdali, uthembisa ukuthi ngingenza njengoNkulunkulu. Njengombana wathembisa okhokho bami esikhathini esidlule ukuthi uma bephikisa intando kaZimu (ngokudla isithelo esivinjelwe), amehlo abo azokuvulwa begodu bebefana noZimu, okungukuthi angafi, uragela phambili asebenzisa ihlelo elifanayo namhlanje. Bangaki abalandeli bakaJesu namuhla bakholelwa ukuthi izidalwa zabantu azifi? Kwenzeka kanjani ukuthi namuhla lamanga ayenakho ukukhohlisa? Izidalwa zikaNkulunkulu, zibenza bazikholelwe ukuthi babe njengaboUmdali, isb. Ongafi? Ngingaphila ngempela ngaphandle kukaNkulunkulu? Izwi likaNkulunkulu lingitshela lokho “... uNkulunkulu ophilisa zonke izinto ... nguye kuphela ongafi ...” (1 Thimothewu 6: 13 +16).

Izingelosi namademoni

Izahluko ezimnyama kakhulu Umlando we-matrixian ugcewele Amalengiso wezenzo zobugebengu ezenziwa yizinkolo ezinkulu.

Babenjengokubonakala kwezingelosi, amadoda angcewele, kodwa babeyizidemoni ngempela, egameni lenkolo kuphela. Ngezikhathi zikaJesu, abaFarisi bathi bangabantwana baka-Abrahama futhi baziqhenya ngokuthi babephethe umthetho kaNkulunkulu; futhi nokho lezi zinzuzo azizange zilondolozwe ebukhosini, ububi, uthando lwemali noma amanga. Bakholelwa ukuthi bangabaholi bezenkolo ezinkulu kunabo bonke kodwa ababizwa ngokuthi “ubungcewele” babangela ukuba

babethele uJesu, uMsindisi wabo kanye nami. Babenokubonakala kwezingelosi, zamadoda angwele, kodwa babengamademoni ngempela, egameni lenkolo kuphela. Ingozi efanayo ikhona kimi namuhla. Ngezinye izikhathi ngikholelwa ukuthi ngiyingelosi ngoba nje ngamukela imfundiso yobuKristu ngisho noma ngingenzi amaqiniso ayo. Ngingasho ukuthi nginokholo eqinisweni kodwa uma ngingabi oqotho, onomusa, obekezelayo futhi obekezelayo, ngiba yisiqalekiso kimi nakwezwe ... ngokufishane, idemoni. Abantu bangaba ngamalungu esonto abhaphathiwe, futhi ngokusobala basebenza ngentshiseko, benza imisebenzi yabo minyaka yonke futhi babheka njengezingelosi phambi kwamehlo abantu, kodwa namanje babe amademoni phambi kukaNkulunkulu. Lokhu akukhona mayelana nokuhlala esontweni, noma ukwamukelwa kwengqondo inkolelo noma imfundiso. Akekho umuntu ongaba ingelosi ngaphandle kukaJesu. Lokhu kuyiqiniso, hhayi ifomu noma umkhosi.

Imiphefumulo evela emzimbeni

Inkolo Yemimoya

Enkolweni yamaHindu, inkolo yemimoya ingumzimba owenziwe nguNkulunkulu. Igama lisho “ukuzala” nasemasikweni ahlukahlukene enkolo kungukuzalwa komuntu ngamabomu kukaJehova ngokwakhe emzimbeni womzimba ukuze enze imisebenzi ethile. Esikhathini se Matrix, ukunyakaza okungokwengeziwe okungokwenkolo nokuziphendukela kwemvelo kuhamba ngendlela zonke izinkolo kanye noKristu bonke abumbene. Phakathi kwezinkolelo zeMatrixian kunomunye ngokusho ukuthingishono Jesu ungenyeyezinkolo eziningizemimoya ehla emhlabeni. UJesu uchazwa izikhathi eziningana eBhayibhelini njengendodana kaNkulunkulu ezelwe yodwa. Isikhulu seMatrix, ngokuphambene, sifuna ukuba ngikholwe, ukuthi uJesu ungenye yezinkolo eziningi zemimoya, enye yezinto eziningi eziphilayo zomzimba zikaNkulunkulu emhlabeni njengeBuddha, Krishna nabanye abaningi. Iziphi izinkolo / amafilosofi / amabhayisikobho / izincwadi ezihamba ngokuvumelana nevangeli ngokusho i-Matrix esikhundleni sekaJesu (iBhayibheli)? Umdlali kaJesu kufanele akwazi ukulwa nomoya lapho iningi lilandela iMatirian yamanga amanga.

Ukuphila kwesibili

Umkhuba we “Inkolo yemiphefumulo nezimpumputhe” ufinyelela emazingeni angenangqondo ngempela, emema izakhamuzi ze Matrix ngemidlalo ebonakalayo engenabungozi yokuzibophezela ngokwabo emzimbeni wokucabanga ngokudala imiphefumulo yabo emzimbeni. Intuthuko enkulu kwezobuchwepheshe yenza ukuba kube khona imihlaba emithathu eyakhelwa yi Miphefumulo emzimbeni wezigidi zabadlali. Into eheha izakhamuzi eziningi ze-Matrix yindlela yokuphila impilo yesibili ngokusho kwemfihlo yabo kanye nokuthanda izinto ezifihlakeleyo ezweni elikhohlisayo elingenamthetho wokuziphatha. Nasi ithuba labo lokuveza umlingiswa wabo owonakele ngaphandle kokukhokha imiphumela yomphakathi, njengomshado ohlulekile kanye nerekhodi lobugebengu. “Ukunikeza ukuthambekela kwakho kwe Matrixian okucindezelweyo mahhala” kubonakala sengathi yisigama esithandwa kakhulu kule miiphakathi. Lo mlayezo uphikisana ngokuphelele nomlayezo we-CHRISTIANSTYLE wokuguqulwa komlingiswa emva kwesibonelo seKrestu oyedwa weqiniso: uJesu Indodana yodwa weqiniso ka Nkulunkulu!

Umzimba awuphenduli

Imali yembonini yevidiyo yomhlaba wonke idlule amadola ayizigidi eziyizinkulungwane ezingu-50 ngonyaka odlule, isithombe esishaya ngokucacile imali engenayo yomculo namaHollywood amakhulu, kuze kube yilapho esanda kuqina ekuthengiseni ukuzijabulisa. Sekuyiminyaka embalwa manje, sesiye saqala ukuthwala imidlalo yevidiyo emaphaketheni

ethu, manje kumakhalekhukhwini ethu. Yimakethe yekusasa. Noma kunjalo, umdlalo wemidlalo yevidiyo uyingxenye yokwanda okungenakwenzeka kwezemidlalo nokuzijabulisa. Esikhathini esizayo, ngenxa yale midlalo nama-movie, edalwe ngokucophelela ekusakazeni iVangeli ngokweMatrix, kuyoba nzima nakakhulu ukuhlukanisa phakathi kwezinto eziyinkimbinkimbi, ezingokoqobo nezingamanga, ezingokoqobo nezingokoqobo, ezingokoqobo nezokukhohlisa, ezingcwele futhi abangcolile; kuyoba khona ukudideka okukhulu kwezinzwa ... ukudikibala kokwazi kwami ... ukudakwa okwenziwe, okwenzelwe izixuku zabantu. IBhayibheli selixwayise eminyakeni eminingi edlule: “Njengoba lokhu kungumphakathi ovukelayo, izingane ezingamanga, izingane ezingathandi ukulalela intando kaNkulunkulu, zithi kuboni, ‘Ungaboni!’ Futhi kulabo abanemibono, ‘Ungasitsheli imibono yezinto zangempela! Sitshele izinto ezimnandi, ubone izinto ezicabangelayo ‘ (Isaya 30: 9-10).

Ukuzijabulisa kwe Matrixian

Kungani isikhulu seMatrix sizibophezele ukusijabulisa ngokusikhombisa “izinto ezicabangelayo”? Kungabe kube ukusiphazamisa kokuthile okubalulekile okuzokwenzeka maduzane? Eminyakeni eyizinkulungwane ezimbili edlule, uJesu uqobo waqala isixwayiso ngezikhathi zethu namhlanje, ethi njengoba kwakunjalo ezinsukwini ngaphambi kokukhukhula lapho abantu bezijabulisa futhi bezijabulisa, beqhubeka nezindaba zabo zobuchwepheshe nezangasese kuze kube usuku uNowa angena ngalo umkhumbi, ngakho-ke kuyoba ukubuyela kwakhe. Abantu abazange babone lutho kuze kufike

uzamcolo futhi wabakhukhula bonke. Into efanayo izokwenzeka futhi ngesikhathi sokubuya kwakhe kungekudala. Khona-ke, ababili bazobe sebesebenza futhi omunye uyothathwa futhi omunye ashiye. Ngiyafuna ulungele, ngoba angazi ukuthi uJesu uzofika ngukuphi (bheka uMathewu 24: 37-42).

Ukubuya kukaMesiya kuyinkinga ethanda umhlaba wonke futhi isakazeka eminyakeni yamuva ukuqiniswa emhlabeni jikelele.

Ukubuya kuka Mesiya Ukubuya kukaMesiya kuyinkinga ethanda umhlaba wonke, futhi isakazeka kuyo Iminyaka yamuva ibilokhu ikhula emhlabeni jikelele; mhlawumbe ngoba izikhathi zilukhuni, mhlawumbe ngoba isikhathi somcimbi omkhulu siseduze:

- I-Maya ilindele ukubuya kweKukulkan -Izimpendolo zilindele ukubuya kweKrishna -AmaNdiya ase Hopi ase-Arizona alindele ukubukeka kwenkanyezi eluhlaza okwesibhakabhaka

-Abakwa-Shamans ase Peru eminyakeni yamuva behla bevela e-Andes bezomemezela emhlabeni ukuthi iPacha Cuti iseduze. -Inhlangano entsha ye-Age ithi i-Galactic Federation (eyakhiwe ngamadoda avela izinkanyezi) zikhona futhi ngokusobala zizobuyela eplanethi yethu ukuze zisibonise indlela.

Ama Juda namanje alindele ukufika kukaMesiya wamemezela eTestamenteni Elidala futhi ngokusho kwenkolelo yobuKristu, futhi, uMesiya (uJesu) uzobuya ekupheleni kwesikhathi. Kodwa ingabe siyaqiniseka ukuthi unguMesiya ofanayo? UJesu wathi: “Qaphelani ukuba kungabikho muntu okhohlisayo. Ngokuba abaningi bayakuza ngegama lami, bethi: ‘NginguKristu,’ futhi bayakhohlisa abaningi “(bheka uMathewu 24: 4-5). Ngifuna ukuthola ukuthi iBhayibheli (uJesu) lihambelana nomesiya wezinye izinkolo noma ngabe ngiyakwazi ukubona amanye amaKristu angamanga uJesu angixwayisa eminyakeni engaba ngu-2000 edlule.

Usuku

Lusuku olufana nabanye abaningi abadlulile kodwa lunesici esiyinhloko esenza sikhetheke: Izingikwane eziningi, izibikezelo neziprofetho ezivela ezingxenyeni eziningi

zomhlaba kanye namasiko amaningi ahlukene kubonakala sengathi zinamaphuzu ajwayelekile futhi kubonakala sengathi ziguqukela ngo-2012. Impucuko enkulu yasendulo yaseGibhithe, izakhiwo zendawo yokuvubukula e-Angkor, ezingokomoya zaseNdiya, izinganekwane zeHopi kanye nabanye abantu baseMelika, abantu China, i-Ching kanye nefilosofi entsha yesizukulwane - amasiko angakaze ahlangeane aye afinyelele ngokumangalisayo iziphetho ezithintekayo futhi, njengokungathi emncintiswaneni womhlaba wonke, usiyisa

endaweni efanayo. Kungani ukuthi imiphakathi nezinkolo kude kangaka ngokuhambisana nesikhathi nendawo zonke ziyavumelana ngosuku olulodwa? Ingabe uJesu Kristu uzobuya ngempela ngo-21 Disemba, 2012? UJesu usikhumbuza, “Kodwa ngalolo suku nehora akuyazi muntu, cha, hhayi izingelosi zezulu, noma iNdodana, kodwa uYise kuphela. Ngakho-ke, bheka, ngoba awukwazi ukuthi ihora lakho iNkosi lizofika nini “ (Mathewu 24: 36 + 42). Abalandeli bakaJesu bangazethembi iziprofetho ngokungafani neBhayibheli.

Inyoka

Ku Maya, Kukulkan yigama lezinyoka. Izinganekwane zithi okhokho bathola ulwazi ngomoya walowo unkulunkulu futhi kuthi ngelinye ilanga, ngo-999 A.D., uKukulkan washiya abantu bakhe ukuba baqale uhambo eya ezindaweni ayevela kuzo. Ngaphambi kokushiya, wathembisa ukuthi uzobuya. Futhi amaMaya balindele ukubuya kwakhe. 21 Disemba 2012 kuyoba usuku uKukulkan, unkulunkulu wenyoka, uzobuya ukuze aqale inkathi entsha futhi abuyisele kumuntu ulwazi ayemnike lona ezikhathini zasendulo. IBhayibheli litshela indaba ehluke kakhulu mayelana nkulunkulu wenyoka eyakhayo. Ngempela, kubonisa inyoka njengomkhohlisi. Kulotshiwe ukuthi, “Udrako omkhulu, inyoka endala, ebiza ngokuthi uDeveli noSathane, okhohlisa izwe lonke ...” (IsAmbulo 12: 9) Yini engikholelwa kuyo: esikhathini esisha solwazi oluthembisiwe inyoka ekhohlisayo kusukela ezinsukwini zika-Adamu no-Eva noma ekuphileni okuphakade epharadesi elithembiswa uJesu?

2012**Isizukulwane esisha**

Ukubuya kukaMesiya mhla zingama-21 kuDisemba kubonakala kuphakanyiswa cishe zonke izinkolo namafilosofi. Kodwa kwenzekani kulolu suku? Ingabe isiprofetho seBhayibheli noma ingabe yenziwe ngokukhohlisa kukaJesu ngokucophelela? I-christian style, umKristu unemibono ecacile ngeziprofetho ezisakazwa yinyoka kanye / noma unkulunkulu welanga! Umcili kaJesu akazethemba iziprofetho ezithi zizoveza usuku lokubuya kukaJesu futhi zithembisa ukubuyiswa kolwazi lwangaphambili esintwini! IBhayibheli liyitshela ukuthi, “Inyoka yayinokuqonda ngaphezu kwanoma yisiphi isilwane esasikwenzile iNkosi uNkulunkulu. Wathi kowesifazane, ‘Kwenzekani! Ingabe uNkulunkulu wathi kuwe ungadli kunoma yiziphi izihlahla ensimini? ‘Owesifazane waphendula enyoka,’ Singadla isithelo semithi engadini; kodwa izithelo zomuthi ophakathi kwensimu, uNkulunkulu wathi: “Ungayidli noma uyithinte noma uzofa.” ‘Inyoka yathi kowesifazane,’ Cha, awuyikufa nhlobo ; kepha uNkulunkulu uyazi ukuthi mhla niyidla, amehlo enu ayovulwa, nibe njengoNkulunkulu, nikwazi okuhle nokubi. “(Genesis 3: 1-5).

Imilayezo emithathu ye-matrix

UJesu ufuna ukubona bonke abalandeli Bakhe, okwamanje yingxenyeyezinkolo eziningi zenkolo ezahlukene, ebumbene enhlanganweni engokomoya ngokuphambene nalokho okwenziwe ngamatrix. Ngempela, uJesu uhamba phambili obeka ubuhlobo noMdali kuqala. Isimiso salokhu ukunyakaza ngokuyinhloko equkethe imiyalezo emithathu esAmbulo ukuthi uJesu unayo izakhamizi zeMatrix:

Umlayezo ongu-1: Lindela ukuza kwami kwesibili! Umlayezo wesi-2: Phuma ematrix bese ubonakalisa isithombe sami! Umlayezo wesi-3: Gcina imiyalo yokuqala yoMdali!

Isikhulu seMatrix siyothukuthela ngokumelene nalokhu kuhamba kwezingelosi, ukulwa nalabo abayingxenyeye yalo, okungukuthi “labo abagcina imiyalo kaNkulunkulu futhi bagcine ubufakazi bukaJesu” (IsAmbulo 12:17), ukudala ukunyakaza ukudideka ngokomoya okufuna ukuhlanekwezela nokukhohlisa lokhu ukukhala okucacile nokucacile ukuthi uJesu uzoqala ngaphambi kokuba abuyele emhlabeni. Ngingakulungele ukujoyina “ibhizinisi elingokomoya” lomhlaba wonke, ukushintshanisa “izimpahla zami ezingokomoya” zobungane nobuzalwane ne-Matrix Uma ngabe impendulo yami “CHA”, i-CHRISTIANSTYLE ilungile kimi.

Okokuqala:
qalisa & Qeda

Ngokusho kwezinkolo / amafilosofi amaningi (ikakhulukazi i-maya kanye nobudala obusha), isikhathi sinomjikelezo, kungekho siqalo noma ukuphela.

Ngakho-ke izwe libhekene ngokungapheli njenge. Le ndlela yokuqonda njengomjikelezo ongapheli kusho ukuthi yonke indawo ingaqhubeka futhi iguquke ngokuqhubekayo ekungenasiphelo ... UNIRVANA. Nokho, ngokusho kobuKristu, umlando wezwe kwenzeka esikhathini esichazwe nguNkulunkulu. Ekuqaleni kwalesi sikhathi ngithola uNkulunkulu, owamandla akhe, owadala isikhathi nesikhala. Ekupheleni kwesikhathi ngithola uNkulunkulu futhi, ngiqede umlando walesizwe ngokubuya kukaJesu.

UJesu ngokwakhe uthi, “Bheka, ngiyeza masinyane, umvuzo wami unami ukunika yilowo nalowo ngokwemisebenzi yakhe. Ngingowokuqala nowokugcina, ekuqaleni nokuphela. Ngaphandle kwababusi ... nanoma ubani othanda futhi owenza amanga “(IsAmbulo 22: 12-15). Ngabe ngihlangothini lwabalandeli bakaJesu, noma ngabahlangothini? Uma ngisehlangothini lukaJesu, ngilindele ukubuya kwakhe.

Okwesibili: njengo Jesu

UJesu uthi umbuso wakhe awuveli kuleli zwe. Kungani ukuthi amasonto amaningi azibheka njengabakaKristu kodwa angafuni ukuyeka umbuso ka leli zwe? UJesu uthi wokugcina uyoba owokuqala. Kungani ukuthi abaholi abaningi abangokomoya bafuna igunya likaJesu kodwa abafuni ukuthobeka kwakhe? IBhayibheli lithi kufanele sibe ngabalingisi bakaKristu. Kungani ukuthi abantu abaningi bafuna igama likaKristu (amaKristu) kodwa abafuni uhlamvu lwaKhe? Ukufana noJesu yiyodwa into ebalulekile kuJesu. UNkulunkulu wadala u-Adamu no-Eva “ngomfanekiso wakhe nangemva kwakhe”. INdodana (uJesu) yeza emhlabeni ukudalula kabusha isithombe nesimo sikaNkulunkulu. UMoya oNgewele usasebenza namhlanje ukuguqula abalandeli bakaJesu emfanekisweni kaNkulunkulu. Ngimbonisa ngamuphi umfanekiso? Ngisiphi isici enginakho? UJesu ungitshela namuhla, “Ngilandele”. Kodwa ngimlandelephi uJesu? Yini engingayenza ukuze ngibe ngumlingani wakhe? Kumelwe ngilandele isibonelo sokuphila kwakhe. Ngakho “ngilandele” kusho “ufanane nami” ... ube yisitayela sobuKristu.

Okwesithathu: Imiyalo eyishumi

Kukhona umehluko omkhulu phakathi kokugcina nokuthanda imiyalo kaNkulunkulu. Abalandeli be-Matrix bangacina imiyalo njengaleyo, ngenkathi behlala behlala bezakhamuzi zeMatrix ngokuzithoba. Ngakolunye uhlangothi, ungathanda iMiyalo Eyishumi nje ngokuba noJesu enhliziyweni yakho. Inkinga ingaphezu kokulandela ukulandelwa kwemithetho yangempela. Empeleni ngokuthola ukuthi ngabe ngimise ubuhlobo obuseduze noJesu. Lokho engikudingayo ukwakha ubuhlobo bansuku zonke obuguqula umlingiswa wami. Akwanele ukukholelwa emithethweni yokuqala, eyiMiyalo Eyishumi futhi ephila ngokuvumelana nezimiso ezizwakalayo; UJesu ufuna ukuba nabathandi abamthandayo futhi bamlandele nazo zonke izinhliziyi zabo.

Kungenzeka ukugcina imiyalo ngenkathi uhlala eMatrix. Ngakolunye uhlangothi, ungakwazi ukuthanda imiyalo nje ngokuba no Jesu enhliziyweni yakho Akwanele ukukholelwa eMiyalweni eyishumi yokuqala futhi uphile ngezimiso ezizwakalayo; UJesu ufuna abalandeli abamthandayo futhi bamlandele nazo zonke izinhliziyabo.

Ngigcina iMiyalo Eyishumi lapho izenzo zami zangaphandle zisuka enhliziyweni egcwele uthando ngoNkulunkulu nomakhelwane wami. Ngaphandle kwalolu thando, ngingaba sengathi ngiyilandela imiyalo, ngoba izenzo zami angeke zibe ngumphumela womlingiswa oshintshiwe waba umfanekiso no Jesu, kodwa kunalokho umphumela wokuba nomthelela wokuzibandakanya, wokuziphendulela uMatrixian. Naphezu kokungabikho kokushukumisa okunjalo, kwangaphakathi, ngisho nedemoni lingayilandela imiyalo yangempela futhi idle ukudla okulungile, kodwa empeleni akulutho nje kuphela abalandeli abangenalwazi be-prince of the Matrix.

Ukungalungile kwezombangazwe

UJesu wathi amaphuzu akhe okubuka ngesibindi nangokungaqondile. Wayengeke afanelwe kahle isiko samatriksi sekhulu lama-20. Ukuchaza abantu, ikakhulukazi abaholi benkolo nabahlakaniphileyo abahlonishwayo emphakathini wethu, njengabazenzisi namathuna amhlophe agcwele amathambo afile, ngokuqinisekile akuzona ezombusazwe. Noma kunjalo, ukwenza izitatimende ezingenakwenzeka kwakungesiyo kuphela into uJesu aphule ngayo. Wabuye wembula inkolelo enjalo kuYe kanye nenjongo Yakhe ukuthi wabonakala ekhukhumeza futhi “umhlambalazi” emehlweni abafowabo. Wayekholelwa kakhulu kuYe kanye nomyalezo wakhe wezombangazwe ongaqondanga kahle ukuthi Wanikeza amadoda ayishumi nambili angenalwazi futhi athobekile ngenhloso yokusakaza lo mlayezo emhlabeni jikelele. Ubani owayecabanga ukuthi Wayenguye? Futhi abayishumi nambili babecabanga ukuthi bangubani? Kodwa nokho ukuzingelwa okubhubhisa kakhulu okwalandela emva kwamakhulu eminyaka ngokumelene nobuKrestu namaKrestu akakwazanga ukuwayeka! Ngendlela efanayo, uma ngithwala isigijimi sangempela sikaJesu namuhla, ngigcizelela ukunciphisa nokungalungi kwesonto leMatri ngaphandle kokukhathazeka nge-Matrixian curriculum vitae yenkolo engibhekene nayo, angisakwazi ukuqhubeka ukusebenzisana okungenzeka ngakhelwe nabalandeli be Matrix.Ngaphandle kokubeka ubudlelwane bomdabu nezikhungo ezihlukahlukene zenkolo nezombusazwe, akubaluleke yini ukuthi ukwazi ukuhlukanisa okuhle phakathi

kokuhle nokubi, phakathi kweqiniso namanga, phakathi kwesitayela sobuKristu nesimo se Matrixian? Ukuziqhenya kwemithetho yamanga engokomoya eyakhiwe yinkosana ye Matrix, ehlanganisa ubungane bezinamandla, nokubambisana nokubambisana kanye nezinhlangano zenkolo ezikhothamele ingqondo yebhizinisi elingokomoya, likhuthaza abalandeli beMatrix, livula indlela i-yedemoni futhi isekela umkhankaso wokhetho weNkosi yeMatrix. Ngamafuphi, ukuphikisana okuyinkimbinkimbi okukhona kuMatrix akuhlangene nokukhala kwe-alamu uJesu afuna ukuyithumela emhlabeni jikelele ngaphambi nje kokubuya kwakhe. Lokhu kukhala isinqumo esiqinile futhi sokugcina semicabango ka Matrixian evimbela ukunikeza ubufakazi ngokuphathelene namaqiniso angokwenkolo futhi esikhundleni salokho sifuna okungokomoya okungenabuhlungu, okungokwemvelo.

Idolobha lokugcina

EBhayibhelini, i-matrix igcinwa njalo ukuphikiswa komuzi ... idolobha likaJesu. Ngempela, i-matrix iboniswa eNcwadini yeSambulo isifebe, kanti idolobha likaJesu lifanekiselwa intombi (umlobokazi ohlotshiswe umyeni wakhe). I-Matrix, ngokusho kweBhayibheli, imelela ukuziqhenya komuntu kanye nenkazimulo, ukukhonza kwakhe, ukuhlubuka kuNkulunkulu. KuMatrix, ukudideka ngokomoya kubusa. NgesikhathiedolobhenilikaJesu umthetho weqiniso nobulungiswa usendaweni, ukudideka kubusa kuMatrix. Lokhu kudideka akuyona nje imfundiso yemfundiso, okungukuthi imithetho yabantu ethatha indawo yemithetho yaphezulu, kodwa futhi ididekile ngokomoya. Lokhu kudideka okungokomoya kubonisa ekuziphatheni kwezakhamuzi ezizibiza ngokwazo zomuzi kaJesu. Bakholelwa ukuthi bangaba izingelosi kuwo wonke umphumela ngoba bayayihlonipha futhi bayigcine yonke imithetho kaNkulunkulu, kodwa baseseMatrix ngenxa yobuntu babo abangafakazi ngoJesu nhlobo. Futhi iZwi likaNkulunkulu ngokwalo liveza izimo ezimbili izakhamuzi zangempela zomuzi kaJesu kumele zihlangane, “zigcina imiyalo kaNkulunkulu (indlela yokuphila) futhi ibe nomfanekiso kaJesu (umlingiswa)” (bheka IsAmbulo 12:17) .Ngokuhamba kwesikhathi, i-Matrix ihlanganisa wonke lawo maKristu angathembekile kumyeni wabo (uKristu), kuyilapho umuzi kaJesu uhlanganiswa nabo bonke abalandeli bakaJesu abalinde ngokwethembeka umlingani wabo. Umyeni wabo uzobuya maduze... eqinisweni, uJesu uthi: “Yebo, ngiyeza masinyane!” (IsAmbulo 22:20). Ngingumakhelwane wedolobha likaJesu? Ngaphambi kokuba uphendule lo mbuzo, akufanele nje ngihlaziye indlela engiphila ngayo, futhi kufanele ngibheke umlingiswa wami! Ingabe ngifuna ukufaka isicelo sokuba yisakhamuzi edolobheni likaJesu? Amademoni akakwazi ukungena kuleli dolobha namakholwa angamanga angahambisani nentando kaNkulunkulu angasoze angena, nabalandeli bamanga bakaJesu abangefani naye, bengaboni ngokuphila kwabo, abalingiswa babo kanye nendlela yabo yokuphila uJesu ahlala kuyo . Ngifanele ngazi ukuthi azikho izimvume zokuhlala zesikhashana zalo muzi, azikho izincomo, futhi azikho ngisho nabangaphandle. Kungakhathaliseki ukuthi ngiyisakhamuzi

kuyo yonke imiphumela, noma angiyena ... Ngisehlangothini lukaJesu noma angikho. Ngiphinde ngihlale eMatrix, noma ngiphuma kuwo. Ayikho idolobha lesithathu. UJesu akhathaleli uma ngingumhlophe noma omnyama, owesilisa noma owesifazane, ocebile noma ompofu, enempilo noma ogulayo, omude noma omfushane ... Iziphakamiso azidingeki ngisho ngoba akukho mingcele enani lezakhamizi. UJesu uyakhathalela kuphela ukuthi nginjengaye. Isizwe sami sesivele samukelwe. Ngidinga kuphela ukuyiqinisekisa ngeendlela zokuphila zobuKristu nomlingiswa.

Zizamazama futhi ziphazamise isimo se-quo. Bahamba ngokumelene namanje. Lezi zinhlamvu

zesitayela sobuKristu zinomuntu ozimele, oquququkayo. Bazwa ukuthi ukubuya komholi wabo kuseduze. Ukuphikisa iningi elilandela ukuziphatha kweMatrixian, abalandeli bakaJesu bangabantu abambalwa abahlala ukuphila kwabo bethembekile emithethweni endala kaNkulunkulu ka-Israyeli noJesu. Bahamba ngokumelene neningi labo abakholelwa kuphela kulokho abakubonayo nokwethemba emisebenzini yabo siqu. Lawa maqhawe angamaKristu abuye aphinde abe isithombe sikaJesu.

Uhlelo lwe Matrix

Isifundo esifundiswa yiBhayibheli sicacile: UbuKristu buvela ebuhlotsheni bomuntu siqu nobusuku noJesu Kristu. Kulula kakhulu ukubiza umuntu oyedwa

“umKristu”, ngamanye amazwi, ukuba abe ngenye yezinkolo zamaKristu futhi ulandele zonke izimfundiso, ngaphandle kokuba msaidizi wa Yesu. UbuKristu banoma iyiphi inkolo engokwenkolo engenasici ngaphandle kokuphila kanye nomlingiswa ohlongozwe emfanekisweni nofana noJesu, uMsindisi wami kuphela! Yingakho uhlelo lweMatrixian ukuqinisekisa amaKristu ukuze ahlale ngaphakathi kwezindonga “zamatempelini ezenziwe ngumuntu”. Lezi zikhungo zenkolo ezivame ukubizwa ngokuthi “isonto elilodwa kuphela leqiniso” zinikeza umqondo wamanga wokuphepha nokuphepha, isinqamuleli uma kuqhathaniswa nezidingo eziqinile zokuphila nokuguqulwa komlingiswa okushunyayelwa yibo bonke abaprofethi eBhayibhelini nakuJesu uqobo. Kuzo zonke izinkolo zenkolo, kukhona izingelosi namademoni: akukaze kube khona isikhungo senkolo lapho wonke amalungu engelosi ... amadoda angcwele, futhi ngeke abe khona. Umqondo wokuthi isonto

lingathola insindiso ngamandla ayo njengenkolo ekhonjisiwe yenkolo akuyona into kodwa iphupho elingenakwenzeka. Ngivela yini eMatrix ukungena emzini kaJesu?

Isono ngo kwe Matrix

Isono ngokweMatrix liyaziqhenya futhi liyanelisa. Umcebo wezinto ezibonakalayo kanye nempumelelo yezisebenzi zezithunywa zevangeli, zezomnotho nezase-ecclesiastics zenze lesi sono sibe yimpumpethe ngokomoya. Akasakwazi ukubona ubuphofu bawo. Izepolitiki ithatha isikhundla senkolo kanye nesibalo somuntu esithatha indawo esetshenziselwa ukudalulwa kukaNkulunkulu. Ngamafuphi, umuntu uthatha indawo kaNkulunkulu. Igciwane lesifo se Matrixian liyabonakala: i-institutionalism, izinqubomgomo zokuthola izinombolo ezinkulu ngaphandle kokugugulwa kwangempela, isonto lesonto, izikhungo eziphela ngokwabo. Inhloso yileyokuphumelela okuphumelelayo ngokushesha, engasaboni embusweni kaNkulunkulu wesikhathi esizayo kepha endaweni yomuntu nomhlaba. Isono ngokweMatrix linelisekile futhi alicabangi lidinga usizo. Kodwa ingcebo yayo ayiyize futhi ingamanga ngoba ayiveli kuNkulunkulu ... iyimbangela yobuphofu bayo. Laba bacebile bamanga badinga umphenyi wamanga, uJesu, ongqongqoza emnyango ecela ukuba angene. Kufana nokuhlukumeza okukhulu. Futhi ukuzimisela kukaJesu kwembula lokho ukungathi sina kwenkinga. Ukuvulwa kwalo mnyango kuxhomeke kimi kuphela ... ekugcineni, lokhu kungumnyango wenhliziyoyami. Lokhu kungukukhetha kwami
